Guruji's Humbleness

- Very Active to Learn from anyone with all humbleness till his demise, 84 years of age
- Curious to observe finer threads in the chart
- Respected new theories and research and wanted to learn and master those
- Eager to participate in summits , workshops, panel discussions
- Ready to accept anyone's view point and understand the logic

Guruji's Boldness

- His Mars was conjoined with Jupiter in Lagna. Jupiter being 2nd Cuspal sublord, He was very bold in speaking out his views.
- He was courageous to make bold prediction like Guruji KSK.
- His boldness made him stay at Guru's place and learn KP from Prof. KSK
- He guided tens of thousands of persons of all ages for different situations, choosing education stream, profession, life partners etc

Guruji's Research

- He did painstaking experiments on him and his family and arrived at clear conclusions
- He said Saturn gives research orientation, Uranus goes upto X ray level and Neptune upto bone marrow
- He was never happy stating someone become Engineer or Civil or Electrical Engineer. He asked all of us to predict further in detail like Oceanographic Marine engineer

Guruji's Simple Approach

- He started learning at the age of 8 and was student till his death at 84
- His core was Vedic astrology and he mounted the jewel of KP by learning finer nuances from Prof. KSK and practiced KP thereafter
- He use to look at the simple chart and judge strength and placement of each house and planets before entering in deep through sublord

Guru Ji Simplified KP

- Many of us complicate our life by jumping to sub and sub-sub level without grasping the chart firmly.
- He was the best KP Astrologer as he did not use KP mechanically. He never tried for quickies.
- He could get results without BTR for natal charts which is another master- key in KP
- Quote *“brick and lime are the same only the plastering need to be changed along with the time. As wise interpretation is required”*

Guru Ji' Specialization

- Muhurtam
 - His Muhurtam never failed.
 - Muhurtam given to individual and organizations to prosper in various walks of life
 - He use to give Muhurtam in few minutes
 - He has designed simple rules for fixing Muhurtas
 - He has used Vedic Muhurtam knowledge as base and weeded out the unnecessary part. He mounted KP principles before giving Muhurats

Guruji's Talent

- He was the only astrologer who can give blood group from natal chart
- He has predicted boldly and openly in foreign countries on this
- He has written down the blood group in a sealed cover and handed over to hospitals before the investigation started on patients and it was found 100% correct

Uniqueness and Focus

- He prescribed wearing of one GEM and not multiples for various problems and various periods.
 - GEM should be suitable from KP angle
- He prescribed praying ONE GOD and not multiple for multiple problems and for various periods
 - God choice as per the Chart and KP method

Trump Cards

- TRANSITS
 - He used today planetary position and blended beautifully on natal chart to give excellent predictions
- JUPITER
 - His strongly believed that Jupiter will always do good even if it placed badly or indicate bad houses.
ASPECTS of Jupiter was very important for him.
Highest position is possible only if Jupiter aspects
- Vargottama

Unfinished Agenda

- Starting of KP Diplomas and Degrees in Indian Universities of repute
- Establishing Astrology University at Warangal which will provide thousands of students to learn in serene atmosphere the finer nuances of KP astrology
- Doing deep research and predict with boldness on Medical complications and Profession

Shradhanjalee

- We should take a pledge to abide by his principles like serving humanity with Astrological knowledge for its betterment and healing pains
- Work towards strengthening of KPAF for more and more research and presenting finding to the whole world
- May Guruji Bless us All !
