3].MBA, .. in this order of preference.

Ques: Seeks astrological advice as to which one of the above is advantageous to him for bettering his future.

-----: Some high lights of the chart:

- 1. Existence of Cuspal interception &/ inter-link.
- 2. We have earlier dealt some cases of IAS, officers -- wherein RAHU has a prominent Role to play.{ Is it for profn. Or for passing the exam?}
- 3. Mars very powerful being the 'Vargottama', & as well as single significator of the Ascndt, & also the Sub- L of Cusps VI, IX & X,
Similarly, Ven: = sole & single significator of II:
Moon= " " " V.
Sat = " " " XI & XII.
- 4. Generally, higher education has a decisive role to play in selecting one's profession in the appropriate line of his subject of specialization, but in practice, we have come across many cases where the qualification has nothing to do with the actual duties one is entrusted.! { eg: A qualified B.E{ Civil Engr.} entrusted with maintain the "Measurement Book." [normally duty of a Supervisor} , which is nothing but a " Dignified Tech Cerk.' DBAs decide.? ..
