

Rajendra Nimje, IAS
President, KP Astrologers Forum India

Mr. Rajendra Nimje is an Indian Administrative Service officer of the United AP cadre and has been working for Govt. of Telangana for the past decade. He is a Digital Vision Fellow of Stanford University, USA, and an M.Tech from IIT Mumbai. He has a Bachelor of Law, Bachelor of Journalism and B.E from Nagpur University. Mr. Nimje has postgraduate diplomas in Business Management and German Language.

Mr. Rajendra Nimje has had an exceptionally bright and long career spanning four decades in the fields of public administration, e-governance, energy and infrastructure development. He has received many National and International Awards. Notable among them are,

‘Social e-Challenge’ Award 2004 from Stanford University, USA
Stockholm Challenge Awards, Sweden, for projects ‘e-Hyderabad’ in 2002 ‘Giri Pragna for 2006 and Parishkruthi’ for 2006 and 2008.
National e-Governance Awards in 2006 for two projects, a National Silver Award in 2021 & Digital India Awards ‘Platinum Award’ in 2019

Mr. Nimje is a staunch practitioner of Krishnamurti Paddhati and started his journey with his Gurus Shri Madhukar Joshi Ji, Shri R.V. Bhedasgaonkar Ji from Nagpur & he is a disciple of Late Sri V.B.N Sarma ji from Warangal who were stalwarts in the field of KP Astrology. He has the blessings of Guru Punneshwar Rao ji from Hyderabad, the founding pillar of KP in United AP. Mr Nimje has more than 32 years of experience in practising KP astrology.

He has founded the KP Astrologers Forum along with Dr. V. Mohan, a unique organisation conducting research in the KP system, conducting regular interactive sessions for KP astrologers, organising international summits and publishing KP Journals and books. The forum conducts KP courses for beginners to advanced.

Mr Nimje has published a unique theory for evaluating the sublord strength called “**Sub Harmonics Theory**”. The paper has been published in the KP International Journal and JASA and has been viewed by thousands of readers. Sub Harmonics is the missing piece of the puzzle that now completes the arsenal of KP astrologers for accurate predictions.

He has published a Ruling Planet-based 'Options Theory', which is used widely to accurately predict the number of seats in the elections.

KP's uniqueness and accuracy are based on proper calculations, which is time-consuming. Mr. Nimje has developed a unique software called **ASTRO DIAMOND**," which is simple to understand and adopt. He added features for KP, such as fruitful signifiers, western aspects, KP Muhurta, KP Matchmaking, and KP-based birth time rectification methods, to help KP professionals and new entrants.

Rajendra Nimje has published many valuable and innovative articles on KP Astrology, such as 'The Astrologer, Three ACES of Successful Horary Astrology', etc. He has contributed to astrology science in many ways, available on www.astrouser.com & www.slideshare.net.

Mr Nimje is promoting deep research in KP, for which he has created 'Areas of Research' groups that are on par with other scientific research worldwide. He is the editor for KPAF-published KP International Journals.
